🎨 مواصفات توليد الصور

Prompt لتوليد كل صورة، استخدم هذا الـ

STYLE: The Amazing World of Gumball, flat 2D vector, cute chibi proportions, thick clean outlines (#2D2A4A), no gradients, no 3D.

CHARACTER: Shrimpo - adorable orange cartoon shrimp (#FF6B5B body), big round white eyes with black pupils, two long curved antennae, small arms and legs, expressive cute face.

BACKGROUND: [حسب المشهد]

EXPRESSION: [حسب الصورة]

ASPECT: 9:16 vertical (1080x1920)

🎬 خطة الكليبات

الكليب	Start → End	المحتوى	الصوت
1	1→2	الحنفية + الصدمة	"!سبب شائع يقتل السمك"
2	2→3	الماء السام	صمت + موسيقى مخيفة
3	3→4	الكلور يهاجم الخياشيم	"!ماء الحنفية فيه كلور"
4	4→5	من الخطر للحل	"...يضر خياشيمهم ببطء"
5	5→6	مزيل الكلور	"!الحل؟ قطرات مزيل كلور"
6	6→7	المقارنة	"!أرخص من سمكة"
7	7→8	الانتقال للجنة	صمت + موسيقى منتصرة
8	8→9	CTA	"!احفظ الفيديو! الرابط بالبايو"

🎬 VEO 3.1 PROMPTS

CLIP 1 | v4_1.png → v4_2.png

GLOBAL: 2D flat cartoon, thick clean outlines, flat shading, clean shapes, no realism, no 3D. Shrimpo must look identical in every clip (same proportions, same eye size, same antenna curves, coral #FF6B5B). Kitchen/tap water setting.

FRAMES: Use LEFT image as the first frame and RIGHT image as the last frame. Match composition and character design exactly.

CAMERA: Frontal axis, eye-level height, steady smooth push-in from wide to medium, speed 0.4 meters per second over 8 seconds.

CHARACTER: Shrimpo adorable 2D cartoon orange shrimp with big round white eyes, two curved antennae. Expression changes from curious to shocked. A kitchen faucet with clear water drops visible.

SETTING: Modern kitchen setting, white sink, chrome faucet, crystal clear water dripping. Cold clinical lighting.

ACTION: Shrimpo looks curiously at the faucet (0-3s), water drops fall in slow motion (3-5s), Shrimpo's eyes widen in shock as she realizes danger (5-8s).

LIGHTING: Cold clinical white, sterile kitchen atmosphere.

VOICE: Young Iraqi woman, age 22, warm friendly cute feminine voice. NO SPEECH until second 3.

AUDIO:
0:00-0:02 - NO DIALOGUE. Kitchen ambient, water dripping sound.

0:03 - FIRST DIALOGUE: She says "إسبب شائع يقتل السمك" shocked tone
0:06 - Sound effect dramatic "DUN DUN"
0:07 - She says "إسرع!" sharp warning

IMPORTANT: Character does NOT speak until second 3.

NEGATIVE: no photorealism, no 3D, no anime shading, no extra limbs, no deformed eyes, no flicker, no jitter, no random text, no watermark.

CLIP 2 | v4_2.png → v4_3.png

GLOBAL: 2D flat cartoon, thick clean outlines, flat shading, clean shapes, no realism, no 3D. Shrimpo identical in every clip (#FF6B5B). Kitchen/toxic water setting.

FRAMES: Use LEFT image as the first frame and RIGHT image as the last frame. Match composition and character design exactly.

CAMERA: Frontal axis, eye-level height, slow dolly-in from medium to close-up, speed 0.3 meters per second over 8 seconds.

CHARACTER: Shrimpo watching fearfully. Green toxic chlorine molecules (Cl₂) appear floating around the water, looking menacing with evil faces.

SETTING: Water transforms from crystal clear to sickly green-yellow tint. Small toxic green chlorine particles appear floating.

ACTION: Water dripping (0-2s), green toxic particles start appearing (2-4s), particles multiply and spread menacingly (4-6s), Shrimpo backs away scared (6-8s).

LIGHTING: Transitions from cold white to ominous sickly green (#C0CA33).

VOICE: Young Iraqi woman, age 22. COMPLETELY SILENT this clip. NO SPEECH AT ALL.

AUDIO:

0:00-0:08 - NO DIALOGUE AT ALL. This entire clip has NO spoken words.

0:00-0:04 - Ominous drone music building slowly

0:04-0:06 - Toxic bubbling sound effects

0:06-0:08 - Slow heartbeat sound thump...thump

IMPORTANT: This is a SILENT transition clip. Music and sound effects ONLY.

NEGATIVE: no photorealism, no 3D, no anime shading, no extra limbs, no deformed eyes, no flicker, no jitter, no random text, no watermark.

CLIP 3 | v4_3.png → v4_4.png

GLOBAL: 2D flat cartoon, thick clean outlines, flat shading, clean shapes, no realism, no 3D. Same character design throughout.

FRAMES: Use LEFT image as the first frame and RIGHT image as the last frame. Match composition and character design exactly.

CAMERA: Frontal axis, eye-level height, handheld shake effect, slow zoom-in, speed 0.2 meters per second over 8 seconds.

CHARACTER: A 2D cartoon orange goldfish looking sick and struggling. Its gills are red and inflamed. Shrimpo watches from corner with worried expression.

SETTING: Inside aquarium tank with slightly murky water. Toxic green chlorine particles floating. Fish struggling to breathe.

ACTION: Fish swimming weakly (0-2s), gills moving rapidly (2-4s), fish gasping at surface (4-6s), Shrimpo covers mouth in horror (6-8s).

LIGHTING: Sickly green-yellow (#C0CA33), desaturated, murky, sad atmosphere.

VOICE: Young Iraqi woman, age 22, worried sad tone. NO SPEECH until second 2.

AUDIO:

0:00-0:01 - NO DIALOGUE. Toxic bubbles, heartbeat.

0:02 - FIRST DIALOGUE: She says worriedly "ماء الحنفية..."

0:04 - She says "إفيه كلور" warning tone

0:06 - She says "=ضار للسمك" emphatic

IMPORTANT: Character does NOT speak until second 2.

NEGATIVE: no photorealism, no 3D, no anime shading, no extra limbs, no deformed eyes, no flicker, no jitter, no random text, no watermark.

CLIP 4 | v4_4.png → v4_5.png

GLOBAL: 2D flat cartoon, thick clean outlines, flat shading, clean shapes, no realism, no 3D. Same character design throughout.

FRAMES: Use LEFT image as the first frame and RIGHT image as the last frame. Match composition and character design exactly.

CAMERA: Frontal axis, eye-level, dramatic transition, speed changes from slow to fast over 8 seconds.

CHARACTER: Transition from sick fish to Shrimpo holding a blue dechlorinator bottle. Shrimpo now looks hopeful and determined.

SETTING: Transition from sick aquarium to blue hopeful atmosphere. Dechlorinator bottle glows with helpful aura.

ACTION: Sick fish gasping (0-3s), magical transition effect (3-4s), Shrimpo appears holding bottle triumphantly (4-8s).

LIGHTING: Dramatic shift from sickly green to hopeful blue (#0891B2 AQUAVO teal).

VOICE: Young Iraqi woman, age 22, sad then hopeful. NO SPEECH until second 2.

AUDIO:

0:00-0:01 - NO DIALOGUE. Sad music, slow heartbeat.

0:02 - FIRST DIALOGUE: She says sadly "يضر خياشيمهم..."

0:04 - She says slowly "بيطء..." sorrowful

0:05 - SFX magical whoosh transition

0:06-0:08 - Music shifts to hopeful upbeat

IMPORTANT: Character does NOT speak until second 2. Transition at second 5.

NEGATIVE: no photorealism, no 3D, no anime shading, no extra limbs, no deformed eyes, no flicker, no jitter, no random text, no watermark.

CLIP 5 | v4_5.png → v4_6.png

GLOBAL: 2D flat cartoon, thick clean outlines, flat shading, clean shapes, no realism, no 3D. Same character design throughout.

FRAMES: Use LEFT image as the first frame and RIGHT image as the last frame. Match composition and character design exactly.

CAMERA: Frontal axis, eye-level height, medium shot, slow push-in, speed 0.3 meters per second over 8 seconds.

CHARACTER: Shrimpo holding blue dechlorinator bottle, smiling confidently. Drops falling from bottle creating sparkle effects in water.

SETTING: Clean aquarium setup with Shrimpo adding dechlorinator drops. Water sparkling as treatment works.

ACTION: Shrimpo holds bottle (0-2s), squeezes to release drops (2-4s), drops fall and sparkle in water (4-6s), magical cleaning effect spreads (6-8s).

LIGHTING: Bright hopeful blue with warm golden sparkles, AQUAVO teal (#0891B2).

VOICE: Young Iraqi woman, age 22, confident helpful tone. NO SPEECH until second 2.

AUDIO:

0:00-0:01 - NO DIALOGUE. Hopeful music building.

0:02 - FIRST DIALOGUE: She says confidently "الحل؟"

0:03 - She says "إفطرات مزيل كلور"

0:05 - SFX sparkle sounds as drops work

0:06 - She says proudly "اثابيتين بس"

IMPORTANT: Character does NOT speak until second 2.

NEGATIVE: no photorealism, no 3D, no anime shading, no extra limbs, no deformed eyes, no flicker, no jitter, no random text, no watermark.

CLIP 6 | v4_6.png → v4_7.png

GLOBAL: 2D flat cartoon, thick clean outlines, flat shading, clean shapes, no realism, no 3D. Same character design throughout.

FRAMES: Use LEFT image as the first frame and RIGHT image as the last frame. Match composition and character design exactly.

CAMERA: Frontal axis, eye-level height, pull-back to reveal split-screen, speed 0.2 meters per second over 8 seconds.

CHARACTER: Shrimpo in center pointing to split screen. LEFT: dead gray fish (X eyes). RIGHT: healthy happy fish.

SETTING: Split screen comparison. Left side red harsh lighting (#EF5350). Right side green healthy lighting (#66BB6A).

ACTION: Sparkles settling (0-2s), camera pulls back (2-4s), split screen appears (4-5s), Shrimpo points to both sides with serious expression (5-8s).

LIGHTING: Split - harsh red left, healthy green right, high contrast.

VOICE: Young Iraqi woman, age 22, serious convincing tone. NO SPEECH until second 4.

AUDIO:

0:00-0:03 - NO DIALOGUE. Music transition.

0:04 - FIRST DIALOGUE: She says "أرخص من سمكة!"

0:06 - She says seriously "مينة!" pointing left

IMPORTANT: Character does NOT speak until second 4.

NEGATIVE: no photorealism, no 3D, no anime shading, no extra limbs, no deformed eyes, no flicker, no jitter, no random text, no watermark.

CLIP 7 | v4_7.png → v4_8.png

GLOBAL: 2D flat cartoon, thick clean outlines, flat shading, clean shapes, no realism, no 3D. Same character design throughout.

FRAMES: Use LEFT image as the first frame and RIGHT image as the last frame. Match composition and character design exactly.

CAMERA: Frontal axis, eye-level height, static then sliding dolly right, speed 0.3 meters per second after second 4.

CHARACTER: Shrimpo transforms from serious warning pose to joyful celebration.

SETTING: Transition from split screen warning to beautiful healthy aquarium paradise.

ACTION: Split screen visible (0-3s), white flash transition (3-4s), paradise tank revealed (4-5s), camera slides revealing beauty (5-7s), Shrimpo dances happily (7-8s).

LIGHTING: Transition to golden hour (#FFD54F), warm paradise glow.

VOICE: Young Iraqi woman, age 22. COMPLETELY SILENT this clip. NO SPEECH AT ALL.

AUDIO:

0:00-0:08 - NO DIALOGUE AT ALL. This entire clip has NO spoken words.

0:00-0:03 - Warning music fading

0:04 - Magical whoosh, white flash sound

0:04-0:08 - Triumphant orchestral victory theme

IMPORTANT: This is a SILENT visual transition clip. Music ONLY.

NEGATIVE: no photorealism, no 3D, no anime shading, no extra limbs, no deformed eyes, no flicker, no jitter, no random text, no watermark.

CLIP 8 | v4_8.png → v4_9.png

GLOBAL: 2D flat cartoon, thick clean outlines, flat shading, clean shapes, no realism, no 3D. Same character design throughout.

FRAMES: Use LEFT image as the first frame and RIGHT image as the last frame. Match composition and character design exactly.

CAMERA: Frontal axis, eye-level height, vertical boom-up movement, speed 0.2 meters per second over 8 seconds.

CHARACTER: Shrimpo celebrating, holding dechlorinator bottle like trophy, winking, waving goodbye. Confetti falling.

SETTING: Clean celebration background (white/cream). Colorful confetti (teal, gold, blue).

ACTION: Shrimpo celebrating (0-2s), turns to camera (2-3s), holds bottle up (3-4s), points down (4-5s), confetti (5-6s), winks (6-7s), waves goodbye (7-8s).

LIGHTING: Bright even commercial lighting, cheerful golden warmth.

VOICE: Young Iraqi woman, age 22, excited celebrating tone. NO SPEECH until second 3.

AUDIO:

0:00-0:02 - NO DIALOGUE. Celebration fanfare music.

0:03 - FIRST DIALOGUE: She says excitedly "الحفظ الفيديو"

0:05 - She says enthusiastically "الرابط باليايو"

0:07 - Confetti pop sound effect

IMPORTANT: Character does NOT speak until second 3.

Keep all UI elements inside safe area (10% margin from edges).

NEGATIVE: no photorealism, no 3D, no anime shading, no extra limbs, no deformed eyes, no flicker, no jitter, no random text, no watermark, no logo, no branding.
